hat is our innocence,  
what is our guilt? All are  
naked, none is safe. And whence  
is courage; the unanswered question,  
the resolute doubt, -  
dumbly calling, deafly listening - that  
in misfortune, even death,  
encourages others  
and in its defeat, stirs  
the soul to be strong?

He sees deep and is glad, who  
    accedes to mortality  
and in his imprisonment, rises  
upon himself as  
the sea in a chasm, struggling to be  
free and unable to be  
    in its surrendering  
    finds its continuing

So he who strongly feels,  
 behaves. The very bird,  
 grown taller as he sings, steels  
 his form straight up. Though he is captive,  
 his mighty singing  
 says, satisfaction is a lowly  
 thing, how pure a thing is joy  
 This is mortality,  
 this is eternity

**ACTIVITIES**

# Student Council

One group which remains most instrumental in the smooth functioning of all campus activities is the student council. This governing body plays a decisive role in school spirit and goals for the year. It includes A S B officers, activity representatives and class and homeroom representatives with a total of forty members.

Under the theme "Progress" the council instituted a new outlook for school activities. Beginning in early summer, the officers initiated many original ideas: Homecoming Week, student tutoring, and Basketball Homecoming. With these new ideas and the students' ardent support, the year started off extremely well. The admirable spirit also led to the forming of some new activities, the drama club, the ecology club and the pep band.

Moderated by Br. Kowalewski, the council is led by A S B. president Art Revueltas, vice president Ed Alvarez, secretary John Baker, and treasurer Armando Argandona.

The yearbook publication requires eight months of steady preparation. Material must be produced and deadlines must be met if the book is to be published on schedule. The 1972 staff, most of whom were carried over from last year's, found that time and skill were most important.

The photography staff, directed by Joe Sherlock, was kept constantly busy snapping and developing pictures. The layout staff, under Mike Reese, began early to design layouts for the various sections of the book. Business editor Rick Vera and his staff faced the task of financing the book's publication by soliciting two thousand dollars in ads. Editor-in-chief Ralph Hansen and moderator Br. Heustis kept the staff of twelve well-organized and made sure that all sections were complete for each deadline.

# The Cardinal

An activity which always manages to draw a great deal of attention is the Cardinal. The publishing of a four page paper representative of all classes requires a great deal of time, preparation and ingenuity.

In an attempt to work closely with the student council this year, the staff is organized under Editor-in-chief Art Revueltas. Managing editor is Fintan McCabe; feature editor, Ron Cobas; Mark Aguilar serves as sports editor. Twenty-five students work on the staff as researchers, typists, journalists or photographers. The paper's moderator is Br. Kowalewski.

A goal was set this year for publication of seven papers. This was made possible by increased funds from Student Council projects and business ads. The staff succeeded in putting out interesting articles and fine material concerning student activities.

The Speech and Debate Club has for many years provided Cantwell students with the chance to improve their speaking abilities. This year's team is led by seniors Peter Holmes, president, and James Shanahan, vice president, and moderated by Br Noonan. This year Brother is building the team from the very capable freshman and junior classes with hopes of developing Cantwell into a leading contender in the San Gabriel Valley. The club provides the student with an opportunity for creative expression in the areas of oratorical interpretation, original oratory, humorous interpretation, dramatic interpretation, extemporaneous and impromptu speaking, and programmed reading.

New to Cantwell this year is the Ecology Club moderated by Br. Kennedy. Interested in informing its members of both problems and solutions, the club's main emphasis is on education. The group has collected pamphlets, bulletins, and letters concerning ecological topics. Two members attended the Ecology Conference of Concerned Students sponsored by Los Angeles Beautiful, Inc. The club also utilizes films and group speakers. Through the education of its members the organization aims at alerting others to the needs of our environment. While collecting and disseminating information, the club also engaged in projects in and around the campus. In these it utilized the help and donations of many outside organizations.

## Homecoming Week

Under the theme "Wild Wild West," the week of October 18th exploded with the spirit of anticipation. Beginning with a shootout at Fort Big Horn, the week concluded with the royal coronation dance. In between was a flurry of contests, rallies, and more contests.

After weeks of cutting, drawing, and painting, the Homecoming committee unveiled its decorations. Festivities began two weeks prior to Homecoming with the initiation of the beard growing contest. Rallies, featuring skits, cheers, and the John Wayne Sound Alike Contest were scattered throughout the week. On Thursday a barrage of contests was held. First the tricycle race and ice block standing contest; then, in the gym, bubble blowing, banana pie, and prune eating contests. The thrilling, but nauseating afternoon added to the enthusiasm which was so evident the following day.

Homecoming day opened with the election of the Homecoming Queen. The entire court was present for the rally in the afternoon. The evening found floats in gear for the parade at half-time and the coronation of Queen Elaine Saiz. Following the game a coronation dance was held climaxing the outstanding week.

The varsity football squad of 1971 was one of the finest that has ever performed here at Cantwell. Led by captains Bill O'Brien and Mark Mancuso, the team placed second in the Santa Fe League losing only to St. John Bosco who went on to the CIF finals. In the Cards' opener they defeated 4-A power Monrovia, 20-15. Losing to Sierra the following week by a score of 14-7, the team then won two in a row defeating Loyola and Gahr before opening up league play against Bosco. The final score in that contest was 34-7. Continuing league play, the Cards defeated Verbum Dei and then took a trip up north to play Santa Ynez and gain yet another victory. Coming home the Cards smashed Cathedral and in a long awaited game, completely annihilated Salesian under the lights at ELAC stadium. Chosen to compete in the CIF playoffs the Cards could not get the "Big Red Machine" moving as they lost to Sonora 23-7. Leading the offense throughout the season was quarterback Bill Diskin (all league) as he drilled his pinpoint passes to his favorite receiver Bill O'Brien (all league, all CIF, all state). When O'Brien was covered, Diskin usually found Brian Flagg (all league) or Jim Carrillo (all league) in the clear. Carrying the burden of the rushing game was Mike Taylor (all league) complemented by Mark Mancuso, who gave up defense to concentrate on his offense in the spirit of Cantwell. Dave Castro and Frank Garcia (both all league) carried through superbly on their blocking assignments all season. Leading the defensive squad was all league tackle Bill Tullius and linebackers Dave Castro and John Larson (all league). The defensive backfield was led by corner Bill O'Brien.

## Santa Fe League Champions

This year's junior varsity squad was composed of an outstanding nucleus of fine players exemplified by the fact that they captured the Santa Fe League championship. Their over-all record through the season was an impressive 6 wins and 2

losses. The JV started the season on a winning note by defeating 4-A Monrovia on the Cards' home field by a score of 32-6. After defeating Sierra, they incurred their first loss of the season at the hands of Loyola. The Cards then trounced Gahr, 44-0 but the following week lost their league opener to Bosco. After this first league loss the JV seemed to put it all together as they defeated Verbum Dei, Cathedral, and Salesian in succession. In the Verbum Dei game they trailed with five minutes left. Then with less than ten seconds on the clock, Tommy Ramos, split end, caught a pass in the Cards' end zone for the winning touchdown. With Bosco losing to Verbum Dei and being tied by Cathedral the championship belonged to our own Cantwell Cardinals. Some of the more important leaders on offense and defense who will play an important part on next year's varsity squad were quarterback Rudy Galindo, tailback Willy Sanchez, left tackle Don Daneri, and split end, Tommy Ramos. On defense the stalwarts were Phil Ruiz at left tackle, Mike Rodriguez at middle guard, and Mark Berru at middle linebacker. The squad was coached and led by head coach Rocky Paulin, and assistants Tino Urango and Al Alegria.

# Freshman Football Team

The 1971 Freshman Football team was one which truly exemplified the Cantwell spirit. Led by captains Jim Taylor and Matt Bachman, the squad started off on the right note by winning its first two games before being defeated by Loyola High. The potent offense was ignited by many key players such as Jay Solomon, Mark Larson, and Bobby Resendez. The defense held its own against much larger opponents while displaying the potential to play Varsity and Junior Varsity as many of them will next season. In league play the team tied St. John Bosco and then easily put away Verbum Dei High. The squad then traveled to Cathedral High and although the game was won by forfeit, a scrimmage was still held and the Cardinals once again emerged victorious. Thus the final game with Salesian High was to decide the league championship. In a hardly fought contest, the Salesian Mustangs were victors. The Cardinals fought like champions and their 'never say die' attitude showed through brilliantly. The discipline and character instilled in them in late August carried the team to one of its most successful seasons. None of the victories would have been possible had it not been for the leadership and coaching given by Head Coach Phil Pusateri and Assistants Dale Washburn and Pat McArdie.

"A new year, a new spirit, a new coach." That is a summary of the 1971-72 basketball season. The varsity, under the guidance of new head coach Ed Riley started off the season on a winning note by defeating the Bell Gardens Lancers in a closely contested game. Dropping the next two games away, the Cards traveled to Whittier to participate in the Cal Hi Tourney. Here the squad was eliminated losing its first two games by a combined total of five points. Knowing victory was within reach, the team played their first home game of the year and soundly defeated St. Francis. Meeting Pius X next, the squad was defeated as they could just not match the height of Pius. Over the Christmas holidays, the Cards traveled to Laguna Beach to compete in a Christmas Tournament. Winning two and losing two, the Cards captured fourth place in the classic with Rich Acosta being chosen for the all-tournament team. At home again, the team defeated Royal Oak in another close game and then lost to a tall Bishop Montgomery as the Cards' rally fell short. In their last preseason game the Cards soundly defeated Schurr High in a long-awaited contest with our local rival. Opening league

play at Salesian, the squad left no doubt in the Mustang minds as to who was the superior team. Back at home before a capacity crowd, the Cards eeked out a slim victory against Bosco Tech. The stage was set for the first round decider as the Cards traveled to Cathedral and were defeated by six points. Not giving up, the Cards were at home for three in a row and defeated John Bosco, La Salle, and Salesian. Meeting Tech again, the Cards defeated them and once again lost to Cathedral by five points in overtime in our Basketball Homecoming. With a playoff berth still in sight, the Cards defeated John Bosco and LaSalle and entered the C.I.F. Playoffs. Not able to get it going in the first quarter, the Card quintet was defeated by the host squad of Santa Paula H S.

During the season, the Cards were led by their captains Rich Acosta (all-league), Bob Corral (all-league), and Jim Carrillo. Rounding out the starting five were Al "Mr. Hustle" Banuelos and Bill "Boards" O'Brien. Much credit should be given to Mr. Ed Riley in his first year as head coach of the varsity as he took his fighting five to the playoffs and captured second place in the Santa Fe League.

This year's J.V. squad was by far one of the most talented in Cantwell history. Led by junior guard Joe Moure, the squad went undefeated through first round play in the league but stumbled in the second round and finished second. In preseason play, the Cards lost their first two games, but then reeled off a string of eleven straight victories until it lost the championship game in the Lennox J.V. Tournament. Comprising the team this year were Pat Llorens, a strong rebounding junior, Joe "Dusty" Destito who seemed to make all the key plays just when they were needed, Albert Martinez a fine ball handler and play-maker, Ray Rosario the only sophomore player starting, and very consistent shooter. And rounding out the starting five was star junior guard Joe Moure who passed, shot and handled the ball like a pro throughout the season.

Led by Coach Rod Poteete in his first coaching season at Cantwell, the team can look forward to success next year with several players competing on the varsity level.

"Close, but not close enough" sums up the Cantwell B Basketball team as the Santa Fe League Championship eluded them by one game. This year's squad was comprised of a fine nucleus of freshmen along with some key help from sophomores. Opening up league play the squad was defeated at Salesian but fought back the whole way as the league title went down to the second to the last game where they were once again defeated by St. John Bosco. Led by Enrique DeAnda with a 14.5 scoring average, and Luke Montoya at 13.0 the team was a typical, hard-fighting Cantwell squad. John Perez, Ray Escandon and Perry Hernandez contributed substantially to the Cardinal cause. In his first year at Cantwell, alumnus Coach Don Rizzi has done a fine job and should be commended along with the team for fighting to the finish.

Rod Poteete in his first year as head coach of the Cantwell Varsity Baseball squad has molded a team of nine of the finest players ever to come out of Cantwell. Starting at first base is an outstanding player Bill Diskin. At second base was that sophomore whiz George Villa, a leading hitter and fielder. At shortstop was Joe Destito, the "Maury Wills" of Montebello, complemented by the fine bat of Manny Valencia at third base. Rounding out the infield was another sophomore Joe Villa, a clutch power hitter. Leading the way in the outfield was Bill O'Brien (leading hitter on the squad) followed by Lauro Montes and Mike Taylor. The squad was led on and off the field by Captains Bill Diskin and Manny Valencia. Rod Poteete (former Stanford and Dodger pitcher) did an excellent job of renovating the entire field along with Rudy Guerra, Raul Ornelas, Ray Cervantes, Hector DeLaRee, and Mike Reese. This, in addition to the fine coaching job of Mr. Poteete exemplifies the dedication of the entire squad. Leading the way in the pitching department were Jim Carrillo and Ray Gaitan, both juniors. This fine squad, also helped by Al Banuelos, Mario Guzman, and Moises Vazquez, turned this team into a contender for the Santa Fe League Championship.

The Junior Varsity Baseball squad, once again under the direction of Ed Riley, possesses a great amount of talent coupled with signs of inexperience which are quickly being overcome. Starting out the season on a victorious note, the Cards displayed talent which will definitely be a factor in the years to come at Cantwell. A solid infield comprised of Ed Padilla, Ed Valdiviez, Joe Bush, and Randy Hernandez, constantly exhibited the form and finesse that will elevate them to the varsity level next year. Rounding out the team in the outfield were Perry Hernandez, Brian Flagg and Steve Walker. Walker, along with James Taylor and Randy Hernandez, were the leading batters on the squad. This team, like all others under the guidance of Ed Riley, has constantly showed improvement and the mark of a championship nine. Leading the way in the pitching department was Tom Ramos along with Randy Hernandez. Much credit is also due to the efforts of the players themselves as they were a team who never "died" and constantly fought to the end. These fighting nine from Cantwell added their fierce competitiveness to that of the other teams in the Santa Fe League.

The 1972 Cardinal track team set out to capture the Santa Fe League title with rookie track coach Dick Larson and veteran coach Ross Hernandez. Both coaches agreed that the track team had the potential and the desire to win since the beginning of this year's season.

The Cardinals are fortunate to have strong leaders to bring the wreath of victory back to Cantwell. This year's captains are Mike Blakely, sprinter; Dave Mena, distance; and in field events, Frank Garcia. The leadership by these men produced the effort needed to win.

On the varsity level, a great majority of team-members were repeating lettermen. Returnees such as Joe Moore in the longjump event and Frank Garcia in the shotput dominated field events. Varsity points were piled up in distance by Dave Mena, two mile; Antonio Zarate, mile; and Steve Olvera, 880.

Setting the pace in sprints were Mike Blakely, 100; Gil Moreno in the 440; Pat Barnitt, 180 low hurdles; and Ross SanGerman, 120 high hurdles.

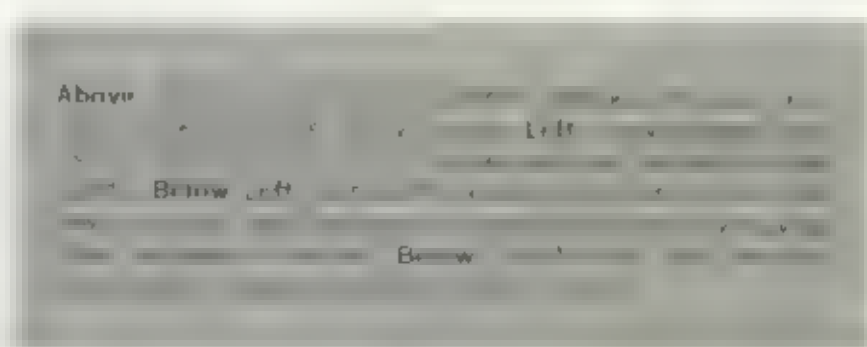

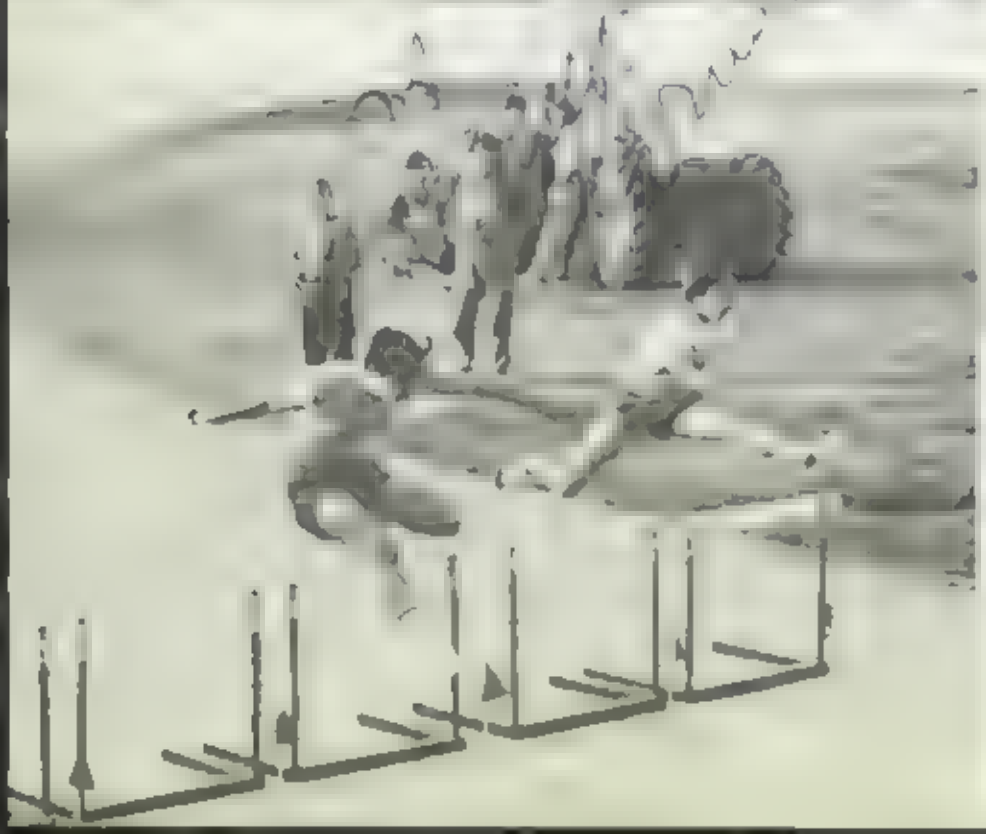

The relay teams contributed strongly to the team effort. The 440 relay team consisted of Pat Barnitt, Mauricio Bueno, Dave Fuentes, and Mike Blakely.

The mile relay team was strong and had high hopes for a medal. The team was made up of Joe Moore, Danny Audetat, Gil Moreno, and Steve Olvera.

On the Bee and Cee level future varsity fieldmen and runners were taking form and style. Mark Martinez is a promising figure in the high jump while Tony Torres stands out in the pole vault. In distance Robert Lagunas led in the 1320 while Willie Sanchez dominated the 660. The sprinters were led by Brian Uyeno and Ernie Apodaca.

1971 Cross Country team. Sitting L to R: Head Coach's manager, Gilbert Buell, David Sanchez, Co-Captain, Dave Mena, Antonio Zarate, Coach Alex Ortiz. Middle Row L to R: Dave Mena, Antonio Zarate, Gilbert Buell, Robert Sanchez, Richard Gutierrez, Mike Valencia. Back Row L to R: Coach Alex Ortiz, Steve Olivera, Ross San German, Maurice Bueno, Pat Peralta, Br Fagan.

Posting a 4 wins, 5 losses record for 1971, the Cantwell Cross Country team began a year of rebuilding. Inexperienced, young, but spirited team mates began a tough sport and displayed an aura of potential that shines bright in the future of Cantwell Cross Country.

Hampered by possessing only two returning Varsity runners, Cantwell began it's 1971 season. Seniors Dave Mena and Antonio Zarate were the team's only returning runners. Earning Most Valuable and Most Inspirational honors, respectively, both went on to become All-Santa Fe League. Dave Mena also represented Cantwell in the C.I.F. finals.

Under the able coaching of Alex Ortiz, the Cardinals went through demanding hours of hard practice and agonizing defeats, yet, they held high spirits and continued to give all they had. Finally, the last meet of the year marked a Cantwell victory, the first in five contests. Youth and inexperience will give way to mature and veteran runners as the Cardinals will go on as a team hungry for a League Championship.

The Board of Directors. Seated L to R: Mary Jordan, Lydia Frymire, Connie McNeil, Grady Perry, Margaret Perry, Joan Tarrant, Mary McDonagh, Maxine Shalhoub. Standing L to R: Br. Kennedy, Moderator Bob Holmes, Steve Holmes, Matt McDonagh, Tom Carter, Bill Green, Matt McDonagh, Bob Sherlock, Joan Diskin, Ed O'Brien, Joe Holmes, Maxine Shalhoub, Lloyd Taylor, Ben Jordan, Earl Troughton, Alex Castro.

A fine example of involvement for Cantwell students is that of their parents in the Parents' Club. This year's club, directed by President Bob Sherlock and moderators Br. J.D. Carr and Br. J.J. Kennedy proved to be well-organized and extremely dedicated.

Its calendar began in October with the Pancake Breakfast. The committee was organized by Co-chairladies Bertha Galindo and Margaret Zarate and served a wonderful meal to a record crowd. Projects such as the breakfast help to finance various school projects.

In November, Mr. Bill O'Brien and Mrs. Connie Destito led their crew in preparation for the Annual Parents' Club Dance. In December Mr. Matt McDonagh and Mr. Lloyd Taylor joined Mr. Joe Richards and many other parents in setting up and operating the Christmas tree lot on campus. As a gesture of appreciation to the faculty, the Club sponsored a Christmas party. The plans for the event were made by Mrs. Joan Diskin and Mrs. Cece Taylor.

The first activity of 1972 was held on February 12 at the Pasadena Hilton Hotel. Maintaining its fine tradition, this year's fashion show and luncheon were extremely popular among parents. The chairlady of the event was Mrs. Maxine Shalhoub.

The climax of the Club's activity came in April with the arrival of the Cantwell Carnival. This giant event utilized the cooperation of almost all the par-

ents through their donations of materials, skills, and time. This great financial success was coordinated by General Chairmen Tom Carter and Bob Holmes.

The Parents' Club calendar goes into summer with the sale of fireworks under chairmen Matt McDonagh and Ben Jordan.

Throughout the year general meetings were held to keep the parents up to date on events and plans. The spirited enthusiasm of the club members enabled the students and faculty to complete the year successfully.

## Remember the time that . . .

Mary Anne put her foot down (up)?

Mr. Kabat stood guard?

Oh yes your son is doing very well

Oh, you say the cutest things."

**"It doesn't look like tomato juice."**

Oh, we were just backstage going over our parts.

**Aahad! baaahad! bubaahad!**  
**Folks!**

Is this the face that launched a thousand trains?

Now that the year cooks out how do you feel, Ralph?

1. The first part of the paper is devoted to a general discussion of the problem of the existence of a solution of the system of equations (1) for arbitrary values of the parameters  $\alpha$  and  $\beta$ . It is shown that the system has a solution for arbitrary values of the parameters  $\alpha$  and  $\beta$  if and only if the condition  $\alpha + \beta = 1$  is satisfied.

## A Message from the Principal

EMM

Having spent sixteen happy years as a teacher, coach, and administrator at Cantwell High School, it is time to move to another assignment. I will always cherish the fond memories and many close friends among the students, faculty, and parents with whom I have been associated. I am confident that the great apostolate of education by the Brothers and Lay faculty will continue in the fine Cantwell tradition.

To the graduating Seniors, I leave the following message. Your success in life will depend to a very large extent upon your happiness in your chosen career or vocation. Your happiness will depend very much upon having a genuine love as well as a deep and personal concern for your fellow man. It is these principles and guidelines which, if incorporated into your life as a part of your philosophy, will insure that you achieve your destiny.

FROM

Br. Reynia
